

Foot Valves and Electric Foot Switch

mechanical and electrical

Z 85-1 e

01.01.2009

Technical data - Foot valve 1200

Part No.:	7010647
Max. working pressure:	1200 bar
Nominal diameter:	DN 8
Pressure connection:	M 26 x 1.5 IG
Design:	mechanical

Additional equipment

Hose connection adaptor M 22x1.5	7009212
Hose connection adaptor M 24x1.5	7009213
Initiator for remote control	7017928

Technical data - Dump Foot valve 1500

Part No.:	7010756
Max. working pressure:	1500 bar
Nominal diameter:	DN 6
Pressure connection:	M 24 x 1.5 DKO
Design:	mechanical

Additional equipment

Initiator for remote control	7017928
------------------------------	---------

Technical data - Dump Foot valve 2500

Part No.:	7010676
Max. working pressure:	2500 bar
Nominal diameter:	DN 6
Pressure connection:	autoclave HP-Fitting Pressure ring M 14 x 1.5 LH and Pressure screw M 26 x 1.5
Design:	mechanical

Additional equipment

Initiator for remote control	7017928
------------------------------	---------

Technical data - Foot switch

Part No.:	7017920
Design:	electrical complete with 2 m cable and plug 6-pole
